## Patient Financial and Payment Policy

Thank you for choosing RK Primary Care. We are happy to welcome you as our patient and look forward to offering you and your family the finest medical care available. Please review and sign our financial and payment policies:

- **We do not participate in healthcare insurance plans or Medicare** and do not directly file insurance claims. Patients are required to make payment in full at the time of service. We are happy to provide you with the “Superbill” (receipt) which contains the information necessary to submit the claim for out of network reimbursement.

Please note: Your insurance may or may not reimburse for the services rendered and/or the fees paid.

- Dr. Kundapur has **opted out of Medicare**. For Medicare enrollees, please bear in mind that Medicare, Medicare Advantage and Medi-Gap will NOT cover the cost of services provided by Dr. Kundapur and/or the Practice. You must pay out of pocket. If you are enrolled in Medicare, you are required to sign the “Medicare Opt-Out Private Contract”.
- **Fee for office visit** may range from \$200 to \$450 based on complexity and duration of the appointment. Payments with checks and major credit cards are accepted. \$50 fee will be assessed for returned checks. You may be able to use HSA/FSA benefits for the services provided.
- **Appointment cancellations** without adequate notice, or missed appointment, will be charged \$50. Please cancel your appointment 24 hours prior to the scheduled appointment time.

I have read and understood the financial policies of the practice and agree to be bound by its terms. I agree not to dispute the charges for the services rendered.
